PIRELLI: VOLUNTARY RECALL OF BICYCLE TYRES P ZERO RACE TLR SIZE 28-622

The tyres recalled were produced between the tenth week of 2023 and the 24th week of 2023

Milan, 20 July 2023 - To ensure the maximum safety of our clients, Pirelli announces that it is carrying out a voluntary recall of some bicycle tyres P Zero Race TLR of the size 28-622 which were produced between the tenth week of 2023 and the 24th week of 2023. The recall refers to certain problems of compatibility of the tyre with some wheel rims. Pirelli immediately launched the recall campaign, interrupting the sale of the products concerned, also those already present in the commercial network, and is defining with the relevant bodies the methods of recall for those that have already been distributed. These methods will be announced on the web site www.pirellicycling.com shortly.
